This is in reply to Petitioner's petition to Withdraw the Holding of Abandonment under 37 CFR 1.181, filed in the United States Patent and Trademark Office on December 22, 2003. No fee is required.

The Petition is **GRANTED**.

A review of the file record reveals that the application was held abandoned on December 09, 2003 for failure to respond to the Office Letter dated March 07, 2003, within the Shortened Statutory Period of three months set therein.

Petitioner has submitted by facsimile transmission a copy of the response to the Office letter dated March 07, 2003, which includes a certificate of transmission dated March 18, 2003, a copy of the Facsimile Transmission confirmation of the complete transmission, and a copy of USPTO Auto-Reply Facsimile Transmission.

Since a timely response to the Office Letter was filed, the holding of abandonment dated December 09, 2003 is hereby withdrawn, and the application is restored to pending status. The application will be forwarded to the Examiner of Record for prompt action on the merits of the application.
